

Important message to our valued community

As per the indications of our regulatory college and public health authorities, we are taking extra precautions to keep you and our staff safe.

If you have an appointment, please wait outside or in your vehicle and a member of staff will contact you when it is time for your appointment.

If you do not have an appointment and need care, please call **[insert phone number]** or email us at **[insert preferred email address]**. We will work with you to discuss scheduling options.

Please note that all incoming patients must complete a screening questionnaire to limit transmission of COVID-19.

We are here for you. Thank you for your patience and support.
